

平成 30 年度 三重県私費医療・看護系外国人学生 奨学金募集案内

APPLICATION GUIDELINES (APRIL2018-MARCH 2019)
MIE SCHOLARSHIP FOR INTERNATIONAL STUDENTS
(MEDICAL STUDENTS)

For future contribution in the field of medicine and promoting international human resources within the prefecture, the Government of Mie provides scholarship grant to those excellent foreign students yearning to become doctor, nurse and assistant nurse in any medical universities and nursing schools in Mie.

With the aim of providing effective medical and nursing service in foreign language within the prefecture, and base on Micken Showa Gakuryou Kenshou Jinzai Ikusei Fund Regulations, scholarship grant will be provided to those excellent foreign students yearning to become doctor, nurse and assistant nurse in Mie.

※ This regulation has been established since year 2000 to internalize and expand the global perspective of human resources in Mie.

Sponsored by : **Mie Prefectural Government**

To the Project Consignor : **Mie International Exchange Foundation**

【Scholarship grant amount】

Scholarship Amount	<p><u>Foreign students yearning to become nurse or assistant nurse.</u> Students enrolled in universities (medical and nursing department), vocational nursing schools, nursing schools for senior high schools and assistant nurse schools located in Mie with annual matriculation (enrollment fee ※1 including practical training fee) equivalent to (※2). However, the scholarship amount is limited to 600,000 yen only. In case the recipient receives a tuition fee exemption, scholarship amount will be decided based on the amount of the exemption.</p> <p><u>Foreign students yearning to become doctor</u> Students enrolled in medical universities located in Mie with annual matriculation (enrollment fee※1 including practical training fee) equivalent to (※2). However, the scholarship amount is limited to 600,000 yen only. In case the recipient receives a tuition fee exemption, scholarship amount will be decided based on the amount of the exemption.</p>
Benefit Period	Starting from a minimal period, possible extension of scholarship may be granted. If the scholarship period exceeds the prefecture’s fiscal year calculation, the recipient must renew again for grant application. However, maximum scholarship period is limited to 72 months.
Method of payment	Submit the payment certificate stating the amount of tuition fees to be paid and upon approval of the application, scholarship amount will be transferred to the recipient’s account starting April of 2018.
Number of Recipients	At least 3 persons

- ※1 Enrollment fees may also be included when applying for scholarship in case the applicant has already enrolled in the same school year. Enrollment fees for the last school year is not included for scholarship grant.
